JUNIOR VICE PRESIDENT

Dear Secretary/Delegate

Please put this letter onto your Notice board

To date I have not had any one enquiring about the above Position, there are Job Descriptions available, for all the positions up to being President. There is an allowance given to help with the expenditure, although I have to add it does not cover everything.

The person needs to be able to give a great amount of Time to the KCBA, as you see looking at our Fixtures for a season, and the President's Team cover every event.

It gives the opportunity of travelling into other Counties, meeting new bowlers and generally having a very interesting experience.

In the first instance please contact me, and I will endeavour to cover what is required, and will send "Job descriptions"

The County Executive Committee are all Club Bowlers, very approachable, and helpful

I do know a number of Counties are finding it very difficult to find players willing to undertake these tasks, **don't let Kent be one of them.**

You would need to be nominated by your Club and seconded by another, but in the first instance please contact me, I will be at Leamington for the Championships, my e-mail address is at the top of this letter and in the Year Book

Thank you

Joy Burton
