

## ***Gill Bunch - Presidents Day - 5 May 2019***

*I would just like to say a big thank you to everybody that helped to make my President's Day special. My family and my club worked so hard that day I really appreciated it.*

*The day started with lunch followed by the spider which was won by Ann Hicks, they went on to play the game, everybody seemed to be enjoying it.*

*After the game we had an evening meal When everybody went all the helpers had the same meal and gift.*

*We had a raffle which made £226 spider made £26 and the many donations I received for my charity which I thank you for, made about £350 to £400 in all. I am waiting to hear the correct amount from Hospice in the Weald which is my charity it will help everybody in the surrounding area. Thank you everybody.*

*Once again thank you for a lovely and special day*
